

SAP BUSINESS ONE PRICING GUIDE

Thank you for downloading the Softengine SAP Business One Pricing Guide. We understand how complex and important these decisions can be. Below is a guide to navigate this decision and answer a few frequently asked questions.

As a leader in the SAP Business One community, and winner of the 2020 SAP® North America Partner Excellence Award we have proven expertise and certified consultants standing by. For additional questions, email info@softengine.com.

“Softengine has been such a great partner since day one. They’ve been so responsive to our every request and they get everything done on time.”

**– Brian Dugas, Senior IT Manager,
Edesia Global Nutrition**

We feel like we are in great hands with Softengine and the SAP Business One system they installed. It's nice to finally put all those unreliable ERP systems and redundant procedures in the rear-view mirror.
