Get to Know Softengine

With over 25 years of ERP expertise and a proven track record of 350+ successful implementations, Softengine is a trusted leader in delivering tailored ERP solutions. As a Gold Certified Partner, we combine deep industry knowledge, innovative technology, and a customer-first approach to help businesses optimize operations, reduce costs, and scale for the future.

Why Softengine? Your Trusted ERP Advisor

Industry-Specific Expertise

Softengine specializes in delivering ERP solutions tailored to your industry's unique challenges:

- **Manufacturing:** Streamline production, inventory management, and compliance for optimized operations.
- **Distribution:** Enhance supply chain visibility, warehouse management, and order fulfillment processes.
- **Professional Services:** Simplify project management, time tracking, and financial reporting.
- **Construction & Field Service:** Support project accounting, job costing, subcontractor management, and compliance tracking.

Seamless ERP Implementation with Minimal Disruption

Our proven methodology ensures a smooth transition to Acumatica with:

- **Expert consultation** to align the ERP system with your business goals.
- **Data migration and system integration** for a seamless transition.
- **Comprehensive training** programs to ensure user adoption and team empowerment.

Dedicated Support Beyond Go-Live

We don't just implement ERP; we remain your long-term partner by providing:

- **Ongoing system optimization** for peak performance.
- **Process improvement consulting** to maximize ROI.
- **Dedicated customer support** to ensure your ERP evolves with your business needs.

Our Proven Track Record of Success

- **350+** ERP implementations across North America.
- Award Winning Gold Certified Acumatica Partner.
- A team of **47+** ERP professionals, including **20+** consultants with over a decade of experience each.
- Tens of satisfied Acumatica customers leveraging our solutions to grow and scale their businesses.

Why Acumatica?

The Future of Cloud ERP

Key Benefits of Acumatica ERP

Acumatica is designed to give businesses the agility and cost-effectiveness they need to grow. Unlike traditional ERP systems that are rigid and outdated, Acumatica is built for the future.

True Cloud ERP for Anytime, Anywhere Access

- Hosted on AWS (Amazon Web Services) for reliable, secure, and scalable cloud computing
- Accessible from any device, empowering remote, mobile, and distributed workforces
- Seamless integrations with leading business applications, eCommerce platforms, and third-party software

Flexible & Cost-Effective Pricing

- Usage-based pricing model – pay for what you use, not per seat
- No hidden costs for training, licensing, or updates
- Free Learning Management System (LMS) for customer training and certification

Long-Term Stability & Vendor Viability

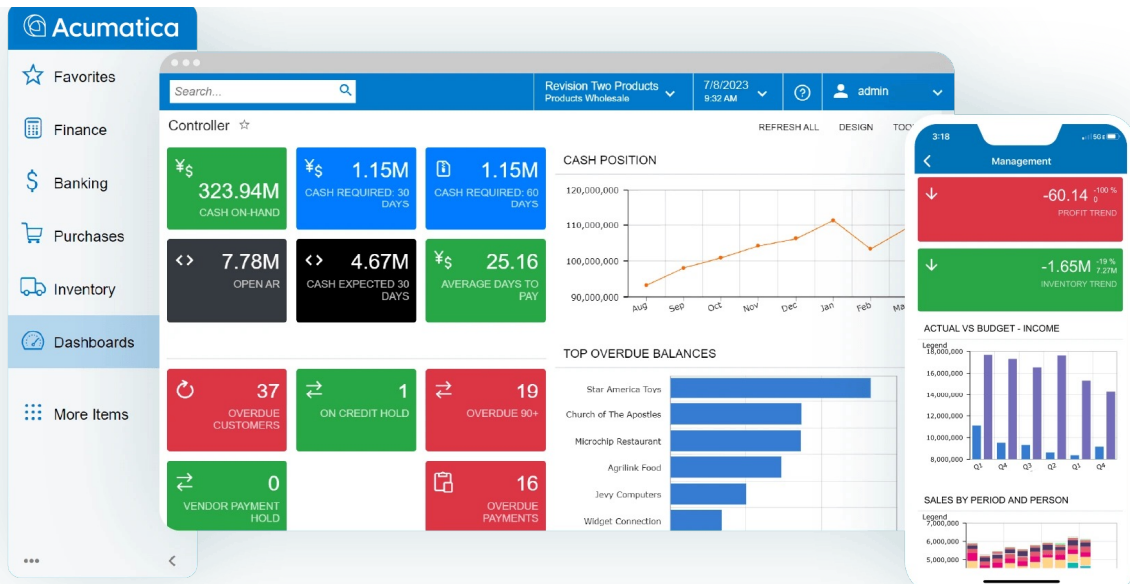

- Founded over 20 years ago, Acumatica has matured into a market leader in cloud ERP technology
- Backed by private equity firm EQT Partners, ensuring financial strength and long-term viability
- 550+ employees dedicated to continuous innovation with a strong investment in R&D
- Global footprint with 13,000+ customers and an extensive network of technology partners and ISVs

AI, Automation & Cloud Innovation

- Acumatica leverages AI and automation for improved decision-making efficiency
- Real-time analytics to keep your business competitive

Industry Specific ERP Functionality

- **Manufacturing**
 - Advanced Production Planning
 - Quality Control Management
 - Comprehensive Supply Chain Management
- **Distribution**
 - End-to-end Inventory Management
 - Real-time Tracking Capabilities
 - Accurate Demand Forecasting
- **Construction**
 - Detailed Job Costing
 - Contract Management Tools
 - Field Service Coordination
- **Field Service & Professional Services**
 - Project Accounting
 - Resource Scheduling
 - Automated Billing Processes
- **Retail & eCommerce**
 - Unified Commerce Experience
 - Integrated POS Systems
 - Streamlined Inventory and Order Management
